

# 2009 Farmers Market Nutrition Program Stamp Update

- All FMNP checks must be stamped with your new 8 digit number
  - The market is identified by the first four numbers and the grower by the last four numbers
- The number must fit in the box provided on the WIC check
- All stamps must use **BLACK** ink

## We suggest you order:

Trodat 5558

8-band self-inking number stamp

3/16" number height

Black Ink
